Letter Of Recommendation

I am contented to endorse this letter of recommendation in favor of Mr. Saurabh Banore. I know Saurabh in the capacity as the Head of the Department and his professor for the course 'Artificial Intelligence' during VII semester. My acquaintance with him, spread over 3 years, has given me an opportunity to observe him closely and judge his capabilities.

Saurabh has proved himself to be a talented and brilliant student by retaining his class rank in the top 2 percentile out of 180 students. During his undergraduate program, he showed great interest in the courses, was actively participating in the lectures and showed willingness and ability to study material beyond limits of the curriculum. He is intelligent, inquisitive and seeks to gain in-depth knowledge with his determination and hard work. I have no doubt that he will succeed in all his endeavors.

He has carried out the responsibility of being class representative of his class in the 3rd year of his bachelor's degree and also led a prize-winning project group. Saurabh and his team have represented our college at the onsite regionals of ACM ICPC in 2016. His excellent performance in TCS Codevita 2017 is also worth mentioning here, where he was in the top 1 percentile out of 99,473 students. Saurabh also regularly participates in coding competitions on platforms such as Hackerrank, Codechef, Codeforces.

I evaluate Saurabh Banore as intelligent, dependable, dedicated person, who is ready to achieve his goals. I am positive, that Saurabh would be a tremendous asset to your internship program and I highly recommend him to you without reservation. If you have any further questions with regard to his background or qualifications, please do not hesitate to contact me.

I wish him all the best for his future endeavors.

Sincerely,

Dr. Vijaya Musande

Vice Principal & Head of the

Computer Science & Engineering Department

Jawaharlal Nehru Engineering College, Aurangabad.

HEAD OF DEPARTMENT
Computer Science & Engg. Deptt.
Jawaharlal Nehru Engg. College,
Aurangabad.
